Student's feedback on Course Curriculum

Name of the Course: <u>B. Com</u>	Course Code:
Name of the Student: <u>Bansal segal vmesh</u>	Academic Year: <u>21 - 22</u>
Sem/Year: <u>VI / 21 - 22</u>	

Course outcomes are the resultant knowledge skills acquired after the completion of a particular course.

Note: This questionnaire has been set to strengthen the quality of teaching-learning process and to look for opportunities to improve course delivery in classroom. Put tick on the appropriate option.

Sl. No.	Course Outcomes	Excellent (5 Scale)	Very good (4 Scale)	Good (3 Scale)	Satisfied (2 Scale)	Neutral (1 Scale)
a. Course outcomes						
1	CO1: The Students are equipped with the knowledge of accountancy	✓				
2	CO2: Competence of the knowledge of income tax and other such laws		✓			
3	CO3: Knowledge of the market position and modern communication skills.	✓				
4	CO4: Analysis by using mathematical and stastical tools, to undertake research.		✓			
5	CO5: Knowledge of various managerial aspects. Achieve professional success through communication skills	✓				
6	CO6: Student understand today's foreign trade and balance payment scenario.	✓				
7	CO7: Knowledge of banking rules regulation laws and practices.		✓			

8	CO8: Understanding of the Theory and Practice of Economics and knowledge.	✓				
9	CO9: Student understand international financial intuitions functioning		✓			
10	CO10: Development of business skills and entrepreneurship	✓				
b. Course curriculum						
1	The course curriculum framed by the university is relevant to the programme and year of study		✓			
2	Allocations of the hours and credits to the courses are Satisfied.		✓			
3	The course curriculum and activities (VAC, Guest Lecture, Industrial Visit) to bridge the gap between academic and Industrial needs.	✓				
4	Blooms taxonomy followed in assessment is matched with the same level of Course Outcomes framed		✓			
5	Assessment pattern is satisfied for students to face university exam in confidence	✓				
6	Electives offered in the Syllabus are in relation to the technological advances		✓			
7	Experiments in the lab courses are relation to the real life/time applications.	✓				
8	The distribution of the contact hours among the course components (L-T-P) is good.		✓			
9	Library material, LMS material, Teaching and Learning Center and facilities for the courses are Adequate.	✓				

Suggestions for Improvements:

All things are very good.

Name of the Student:	Naruna Poonam . Rajaram	Academic Year:	
Sem/Year:	V1		2021-22

Course outcomes are the resultant knowledge skills acquired after the completion of a particular course.

Note: This questionnaire has been set to strengthen the quality of teaching-learning process and to look for opportunities to improve course delivery in classroom. Put tick on the appropriate option.

Sl. No.	Course Outcomes	Excellent (5 Scale)	Very good (4 Scale)	Good (3 Scale)	Satisfied (2 Scale)	Neutral (1 Scale)
a. Course outcomes						
1	CO1: The Students are equipped with the knowledge of accountancy	☒				
2	CO2: Competence of the knowledge of income tax and other such laws	☒				
3	CO3: Knowledge of the market position and modern communication skills.	☒				
4	CO4: Analysis by using mathematical and statistical tools, to undertake research.		☒			
5	CO5: Knowledge of various managerial aspects. Achieve professional success through communication skills		☒			
6	CO6: Student understand today's foreign trade and balance payment scenario.		☒			
7	CO7: Knowledge of banking rules regulation laws and practices.	☒				

8	CO8: Understanding of the Theory and Practice of Economics and knowledge.			✓			
9	CO9: Student understand international financial intuitions functioning			✓			
10	CO10: Development of business skills and entrepreneurship			✓			
b. Course curriculum							
1	The course curriculum framed by the university is relevant to the programme and year of study	✓					
2	Allocations of the hours and credits to the courses are Satisfied.	✓					
3	The course curriculum and activities (VAC, Guest Lecture, Industrial Visit) to bridge the gap between academic and Industrial needs.	✓					
4	Blooms taxonomy followed in assessment is matched with the same level of Course Outcomes framed			✓			
5	Assessment pattern is satisfied for students to face university exam in confidence			✓			
6	Electives offered in the Syllabus are in relation to the technological advances			✓			
7	Experiments in the lab courses are relation to the real life/time applications.	✓					
8	The distribution of the contact hours among the course components (L-T-P) is good.	✓					
9	Library material, LMS material, Teaching and Learning Center and facilities for the courses are Adequate.	✓					

Suggestions for Improvements:

Everything is crystal clear.
