A Seminar Report on "AIDS Awareness Program"

Most people do not know how important it is to donate blood. Each day, thousands of people need donated blood and blood products to keep them in good health or allow them to stay alive.

If a person's blood levels fall due to an accident or illness, or if their blood is not functioning properly, there will not be enough oxygen or other nutrients to maintain their vital organs. Donating whole blood can help these people. A similar process to whole blood donation is apheresis. This provides other blood components, such as platelets. A donation of platelets can help people who have issues related to clotting. It may also provide antibodies to help fight a disease, such as COVID-19.

To create this awareness in the students "**Pragnya College of Management & Computer Studies**" conducted a seminar on "**Importance of Blood Donation**". This seminar has been conducted on **06/12/2021** with the presence of our Principal **Dr.Asha Yadwadkar** . Welcoming speech has been delivered by her only. Then after **Dr. Rukhsar Usman Jagot** has told about the importance of Donating blood can help people with many health conditions.

1. have internal or external bleeding due to an injury
2. have sickle cell disease or another illness that affects the blood
3. are undergoing cancer treatment
4. are undergoing surgery, such as cardiovascular or orthopaedic surgery
5. have an inherited blood disorder
6. are undergoing a transplant
7. need treatments involving plasma or other blood products

All the students of BBA, BCA and B.Com has participated and gather the information about the health benefits of donating blood.

Seminar Report On Career Guidance

The career counselling programs aim at providing assistance to the students in choosing a major career path. A career counsellor can be a valuable resource whether you are recently graduated or looking to change careers. Career counsellors have professional and interpersonal skills that can help with finding and preparing for a career.

With reference to the above "**Pragnya College of Management & Computer Studies**" has conducted a "Career Guidance" Program, along with "**Indira Institute, Pune**" dated 13/01/2022

Preparing ahead of time can help you get the most out of your session with a career counsellor. Here are a few points that have been discussed....

1. **Advise appropriate career path:** Career counselling is beneficial to people regardless of their position and the industry they work in. These sessions advise a recent graduate on career paths worth pursuing. A part of a career counsellor job involves helping you switch careers. To help you make the right career decision, a counsellor assesses your existing skills and identifies professional goals. After knowing your skills, a counsellor suggests career paths that align with your professional goals
2. **Provide tips for salary negotiation:** Salary negotiation is an important skill in the hiring process, but some people who are not familiar might find it challenging. While an employer might not offer the exact compensation you want, they can help you get a satisfactory compensation that matches your expectations.
3. **Assist with interview coaching:** As interviews are an essential aspect of the hiring process, a career counsellor might provide an interesting professional story that helps hiring managers understand who you are and why you are the best fit for the job role.
4. **Determine your strengths and weaknesses:** A counselling session with a professional can help you understand your strengths and weaknesses. These professionals use aptitude and career assessments to evaluate your true potential. This evaluation helps counsellors understand and identify the best industries and fields for you.

At the end of these sessions, all 49 students of the T.Y. B.com, BBA, BCA students gain confidence to understand their quality and their knowledge. They get the zeal to work on their weak areas and with a firm conviction all the students can do best in their future.

Internal Seminar on Communication Skill development Programme

A one-day workshop on Communication Skills Development for the students of **Pragnya College of Management & Computer Studies** BBA First Year stream was organised at the Institute from **10 am to 12 pm on 23/02/2022** for the session **2021-2022**.

The workshop was inaugurated by the faculty of our College, **Prof. Vishwanath Jha** in the presence of our principle urged the participants to make use of the workshop to the maximum extent possible in order to enhance their communication skills – both oral and written.

The following points has been covered during the sessions:

1. During the first session of the workshop, Prof. Vishwanath Jha made a presentation on Basic Writing Skills which covered areas like Punctuation, Commonly Confused words and Basic Grammar. After the presentation, the participants were asked few questions on these areas and their performance was evaluated and necessary feedback on how to improve these skills was given.
2. In the second session, a presentation on Business Email Writing, which gave necessary tips and guidelines on drafting formal emails, was followed by the participants' drafting emails in groups on their own on some given topics. They were made to read out the drafts and necessary corrections and clarifications were suggested by the resource person.
3. During the first session in the afternoon, the participants were given some useful information on telephone etiquettes. Then they were given some exercises and role play sessions where they were asked to use appropriate language – both formal and informal – while making telephonic conversations.
4. In the last session, the resource person gave some useful information and tips on drafting business/official letters and the participants were asked to work in groups and write out formal letters making use of the tips and following the guide lines given.

In total 43 students of BBA Semester II has attended the sessions. In the valedictory address, the Principal congratulated both the participants and the resource persons for organizing the programme successfully and requested the participants to constantly improve upon their skills and competencies for their personal and professional growth. The program ended with a vote of thanks by Prof. Vishwanath Jha.

Activity Report on ICT Training (MS EXCEL) Sessions

Microsoft Excel is the world's leading spreadsheet program for organising and manipulating data using rows and columns. With its extensive feature set, affordability and user-friendly design, it's a valuable addition to any work.

In order to improve these abilities, "Pragnya College of Management & Computer Studies" has conducted an 2 days workshop on ICT Skills Training Program, along with our team members "TATC Coaching Centre", Pune" in the month of October. The Following faculties has conducted the program:

1. Mr. Sachin, TATC Coaching Centre", Pune
2. Prof. (Dr.) Asha Yadwadkar, Principal, Pragnya College of Mgt & C.S.
3. Prof. Sunita Kanadikar, Professor, Pragnya College of Mgt & C.S.

Leaning Objectives:

1. Introduction to various tabs of MS Excel.
2. Automatic Figure and Table numbering
3. Automatic Table of Contents creation.
4. Data analysis and visualization.
5. Drawing effective plots for report/page.

The program was conducted successfully on 28th, 29th Feb 2022 with 50 students for First Year B.Com students during the academic year 2021-2022.

Following are the list of students who have attended the sessions: ICT Excel 2021-2022
