Name of Components	Office Use	Student use
Computers	5	40 (Lab 1=20 PC)& (Lab 2 =20 PC)
Laptops	2	0

Description

Hardware: RAM(4 GB) , Hardisk(1 TB)

Software: VS-Code ,Turbo C

Name of Components	Office Use	Student use
Printers:		
• Dot Matrix	0	1
• Ink jet	1	0
• Black & white	4	1

Description

Brand Name: Hp Printers

Pragnya College Of Management & Computer Studies

Name of Components	Total connection
Internet with broadband	1

Description

Broadband Name: Local

Speed:100mb/ps,

Name of Components	Office Use	Student use
Computers & Laptops with Internet	5 PC & 2 Laptop	40

Description

Hardware: Ram(4 GB) , Hardiskl(1 TB)

Software: VS-Code ,Turbo C

Speed :100mbps

Name of Components	Office Use	Student use
Routers	1	2

Description

Brand Name: SyroTech,

Range: For each floor

Pragnya College Of Management & Computer Studies

Name of Components	Office Use	Student use
Projectors	0	1

Description

Brand Name: Viewsonic

Range: long-distance

Name of Components	Office Use	Student use
Xerox Machine	2	0

Description

Brand Name: ricoh

Name of Components	Total connections
CCTV Cameras	11

Description

Brand Name: eNetra

Conclusion: IT components have become an essential part of every college, and their usage has significantly increased with the shift towards online learning and administrative tasks. The components mentioned above are the basic requirements for any college, and additional components such as audio-visual equipment and specialized software may be required based on the college's specific needs
