Birth Anniversary of Savitribai Phule

Minutes

Women Empowerment Event was conducted in **Pragnya College of Management and Computer Studies** and the guest lecture was arranged by the Prof. Fazilat Jagot. She was the Chief guest of the event.

Savitribai Phule was a teacher, Indian social reformer, educationalist and poet from Maharashtra. Along with her husband **Jyotiba Phule** in Maharashtra, she played a vital role in improving women's rights in India. She is considered to be a pioneer of India's feminist movement. *Savitribai* and *Jyotiba* together founded one of the early modern Indian girls' schools in *Pune* at *Bhidewada* in 1848. She strived to abolish discrimination and unfair treatment of people on the basis of caste and gender.

About Women Empowerment.

Women empowerment implies the ability in women to take decisions with regard to their life and work and giving equal rights to them in all spheres like: personal, social, economic, political, legal and so on. We are living in an age of women empowerment where women are working shoulder to shoulder with men. A woman also manages to balance between their commitment to their profession as well as their home and family. They are playing multiple roles - at home as a mother, daughter, sister, and wife and at working place as professionals with remarkable simplicity and compatibility.

Women empowerment is essential for the betterment of any country's future as they play dual responsibilities of managing their families while simultaneously juggling to earn to contribute in fulfilling their family needs. No one can ever ignore the importance of the role of a mother, sister, or a daughter in their families. At the same time, women have also established themselves as equal contributors in managing the financial requirements of their homes. On an international level as well, women have successfully created their unbeatable position, but they are just a handful in comparison to their counterparts.

Tree Plantation Activity Report

Date: 29/07/2022

Minutes

Introduction:

Continuing with its tradition of preserving the environment and having ecofriendly activities, the "Tree Plantation Event" was conducted on the campus of *Pragnya College of Management & Computer Studies* on world nature conservation day, 28th July 2022. Understand the importance of nature for our existence and conserve the nature in all manner, is our moral responsibility. It's not too hard to believe that without trees we, humans would not exist on this beautiful planet. Also, we have felt the change of purity in nature and reduction in pollution effect during this pandemic situation. While the latest technology has provided us with many comforts, the consequent urbanization and industrialization also have some undesirable side effects; Global Warming is one of those. This event is a positive step towards achieving a healthy environment and to reconnect humans to nature and foster environmental stewardship.

Program Details:

The event began with welcoming heads of all departments, all faculties, staff, and students participants at 10:30 AM. More than 25 students, faculties and staff members have participated in the event. This activity has initiated on dated

Activity Report On Reading Day / Vachan Prerna Divas

On the occasion of former president Dr APJ Abdul Kalam's birth anniversary, October 15, 2021 "**Pragnya College of Management & Computer Studies**" has celebrated 'Vachan Prerna Divas' (Inspire to Read Day). Claiming that technology and gadgets have almost taken over the habit of reading, we at the college develop ideas and programmes to, once again, cultivate the habit of reading among youngsters.

The event started with a prayer service on Dr APJ Abdul Kalam in English by Prof. The department of Commerce with of students of **BBA, BCA & B.Com.** has proposed the plan to observe 'No gadget day' once a month, wherein students will be urged not to use any form of social media platforms, such as Facebook, Twitter, and instead, read books.

With the above event, the importance of Reading Books can be concluded as:

- Reading strengthens your brain
- It increases the ability to empathize
- It helps to build the vocabulary
- Books can act as a greatest stress reliever.

Pragnya Educational Trust's

Pragnya College of Management & Computer Studies

Reading books helps us inculcating good values and keeps us happy. It is a good source of entertainment and inspiration. Reading books helps us in gaining inspiration from various characters or personalities. It also helps us in our studies and improves our communication and reading skills equally. Books tend to be man's first best friend and so is with us. This habit can be adapted at any stage of life.

All the students of BBA, BCA & B.com has been appeared in the event successfully. All the faculty members have been presented their thoughts and expresses about the importance of reading books.
